

Role Profile

Role Title	Registered Nurse
Division	Netcare Primary Care Division
Location	Medicross Hillcrest
Department	Nursing
Closing Date	02 July 2024

Role Summary and key work output and accountabilities

The Registered Nurse (RN) will be responsible to deliver safe, competent, and person-centred quality nursing and clinical care, to provide quality assurance and maintain execution on prescribed treatment plans within the clinical units in the most cost effective and efficient way. The incumbent will act as a clinical resource for all nursing and clinical related functions performed by Medicross employees.

Practice patient care according to the Scope of Practice and assume total responsibility for the patients in your care.

A detailed job description will be discussed with successful candidates.

Inherent Requirements

- Registration with the South African Nursing Council (SANC) as a Registered Nurse.
- Relevant experience as Clinical / Registered Nurse in private sector environment.
- Computer literacy.
- Flexible in working shifts.
- Ability to work effectively and co-operatively with others by establishing and maintaining good working relationships.

Application process

Interested candidates who meet the above criteria are requested to e-mail a detailed CV to pcdrecruitment@netcare.co.za

Kindly note that only shortlisted candidates will be contacted.

Applicants who have not been contacted within 30 days after the closing date of this advert should consider their application as unsuccessful.

At Netcare, our core value is care. We care about dignity of our patients and all members of the Netcare family.

We care about the participation of our people and partners in everything we do.

We care about truth in all our actions.

We are compassionate about quality care and professional excellence.

OUR STRATEGY

Person centered health and care: Empowering Patients to participate in their health. Delivering the best quality and consistency of care.

Digitally enabled - Digitising all patient touch points to create a unified, integrated experience.

Data driven - a 360-degree view of our targeted decision -making patient engagement, and informed business decisions.

Our redesigned health and care offering will be highly differentiated in SA and will create a sustainable competitive advantage for the Group – we call this *the Netcare moat*.

Our basic service standard holds us accountable below seven behaviours:

- I always greet everyone to show my respect.
- I always wear my name badge to show my identity
- I am always well-groomed to show my dignity.
- I always practice proper hand hygiene to show my care.
- I always seek consent to show my compassion.
- I always say thank you to show my appreciation.
- I always embrace diversity to strengthen inclusivity and belonging.

The Company's approved Employment and targets will be considered as recruitment process aligned to the Group's Employment Equity strategy. Netcare actively supports the recruitment of people living with a disability.
