At Netcare, our core value is care. We care about the dignity of our patients and all members of the Netcare family.

We care about the participation of our people and our partners in everything we do.

We care about truth in all our actions.

We are compassionate about quality care and professional excellence.

OUR STRATEGY

Person centered health and care: Empowering Patients to participate in their health. Delivering the best quality and consistency of care.

Digitally enabled - Digitising all patient touch points to create a unified, integrated experience.

Data driven - a 360-degree view of our targeted clinical decision -making patient engagement, and informed business decisions.

Our redesigned health and care offering will be highly differentiated in SA and will create a sustainable competitive advantage for the Group – we call this *the Netcare moat*.

Our basic service standard holds us accountable for the below seven behaviours:

I always greet everyone to show my respect.

I always wear my name badge to show my identity.

I am always well-groomed to show my dignity.

I always practice proper hand hygiene to show my care.

I always seek consent to show my compassion.

I always say thank you to show my appreciation.

I always embrace diversity to strengthen inclusivity and belonging.

The Company's approved Employment Equity plan and targets will be considered as part of the recruitment process aligned to the Group's Employment Equity strategy. Netcare actively supports the recruitment of people living with a disability.
