

NETCARE

Vacancy

Role Title	Registered Nurse – Anaesthetics – Labour Ward
Division	Hospital Division
Location	Netcare Park Lane Hospital
Closing Date	16 th April 2025

Role Summary

The Professional Clinical Nurse is a professional who remains responsible for the assessment, planning, and implementation of individualised, holistic, and person-centred nursing care of a patient, their families, or the community, either performed directly or indirectly.

The incumbent ultimately coordinates patient care within the concept of the multidisciplinary health team.

The incumbent also fulfils the role using scientifically based nursing theories and processes, treating the patients as a physical, social, and spiritual individual, and by use of educational and technical means applicable to health care practice.

The Professional Nurse – Anaesthetic will render and promote cost effective, safe quality patient care in accordance with hospital standards and policies.

Inherent Requirements

- Registration with the South African Nursing Council as a Registered Nurse
- A Diploma in Critical Care or equivalent NQF 7 qualifications.
- Relevant qualification within a specialist area
- Relevant experience in the nursing discipline in accordance with specific requirements.

Application process

Interested candidates who meet the above criteria are requested to e-mail a detailed CV to: Anele.Zuma@netcare.co.za

Kindly note that only shortlisted candidates will be contacted. Applicants who have not been contacted within 30 days after the closing date of this advert should consider their application as unsuccessful.

HR01 F04 V2 2024

At Netcare, our core value is care. We care about the dignity of our patients and all members of the Netcare family.

We care about the participation of our people and our partners in everything we do.

We care about truth in all our actions.

We are compassionate about quality care and professional excellence.

OUR STRATEGY

Person centered health and care: Empowering Patients to participate in their health. Delivering the best quality and consistency of care.

Digitally enabled - Digitising all patient touch points to create a unified, integrated experience.

Data driven - a 360-degree view of our targeted clinical decision -making patient engagement, and informed business decisions.

Our redesigned health and care offering will be highly differentiated in SA and will create a sustainable competitive advantage for the Group – we call this *the Netcare moat*.

Our basic service standard holds us accountable for the below seven behaviours:

I always greet everyone to show my respect.

I always wear my name badge to show my identity.

I am always well-groomed to show my dignity.

I always practice proper hand hygiene to show my care.

I always seek consent to show my compassion.

I always say thank you to show my appreciation.

I always embrace diversity to strengthen inclusivity and belonging.

The Company's approved Employment Equity plan and targets will be considered as part of the recruitment process aligned to the Group's Employment Equity strategy. Netcare actively supports the recruitment of people living with a disability.
