NetcarePlus Accident Cover

The NetcarePlus Accident insurance product is designed to provide you with cover for accident and trauma emergency medical costs when you have no medical aid – guaranteeing that you get access to quality healthcare treatment from our network providers.

This product helps you better meet your needs when you have experienced an accident or trauma event.

This is not a medical scheme and the cover is not the same as that of a medical scheme. This insurance product is not a substitute for medical scheme membership.

03

What are the benefits?

What is an accident?

An accident is an unfortunate incident that happens unexpectedly and unintentionally, resulting in damage or injury.

What is an emergency?

An emergency is a sudden serious and dangerous event or situation which needs immediate action to deal with it.

What is an emergency medical treatment?

An emergency medical treatment is an urgent and short term, not longer than 90 days, remedial medical treatment that is required due to an emergency medical condition. Emergency medical treatment will be provided up to a maximum of 90 days calculated from the date of the accident and trauma event, provided that the treatment and services are directly related to the accident and trauma event

What is an emergency medical condition?

An injury or an event which is unexpected and sudden and would likely result in death, serious impairment of bodily functions, serious dysfunction or disfigurement of any bodily organ or place the health of the individual in serious danger if emergency medical treatment is not received.

05

How to access the benefits

01

All immediate treatment must be pre-authorised by calling **0860 101 151**. Treatment and services are covered for a maximum 90-day period starting from the date of the accident or trauma.

02

If you don't need immediate medical treatment, notify us about your accident or trauma event within 48 hours by calling **0860 101 151** (Monday to Friday, between 07:00 and 17:00) or by emailing **servicecentre@netcareplus.co.za**.

This ensures that we have these details on record should you need any medical treatment in the future.

03

No benefit is payable on this policy for services that are related to an illness or medical emergency not arising from an accident and trauma event.

Who can take out this policy?

A policyholder can join with dependants provided there is insurable interest and the dependants meet the age limit requirements.

What is an insurable interest?

A person has an insurable interest where loss or damage may occur, causing that person to suffer a financial loss or a certain kind of loss. To exercise an insurable interest, you must take out an insurance policy to protect the potential loss.
